

Money Flight Event

In the money flight event shooters have a chance to win some cash by placing in a flight against all other shooters. The fee is \$25.00 and there will be an 80% payback. You must enter before your first line time to qualify. You will still shoot in your regular division and that score will be used for this event.

After the entire tournament is over those that entered the money flight event will be put in order of tournament scores no matter what division they shoot. The flights will have between ten and twelve shooters each and we will pay the top four places in each flight. All flights will pay the same amount with checks mailed out the week after the tournament.
